Waiting queue

Esra

Esra tries to join the room but he waits in queue.

Player 1

Kursat

Player 2

Yasin

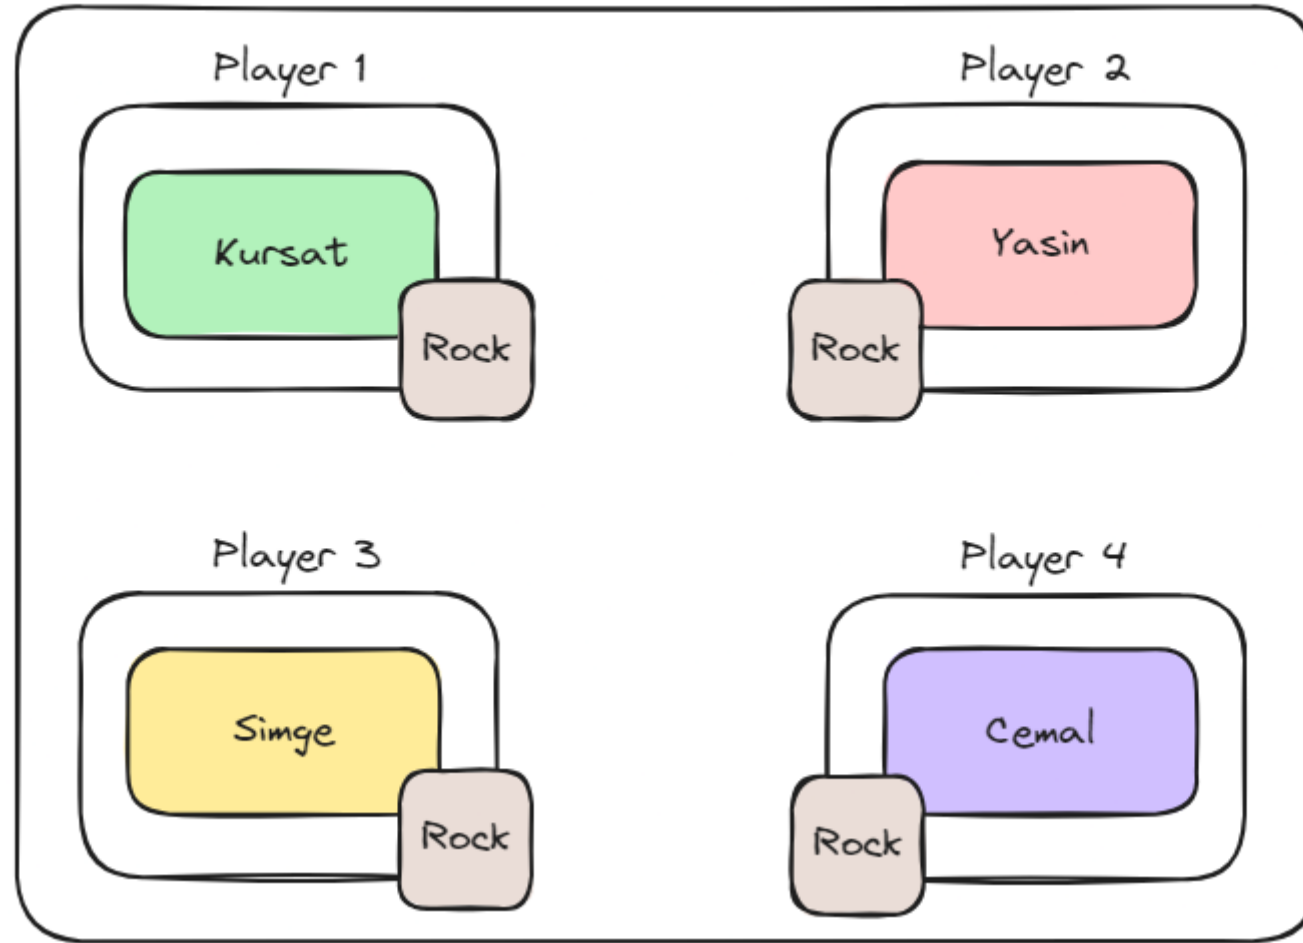

Player 3

Simge

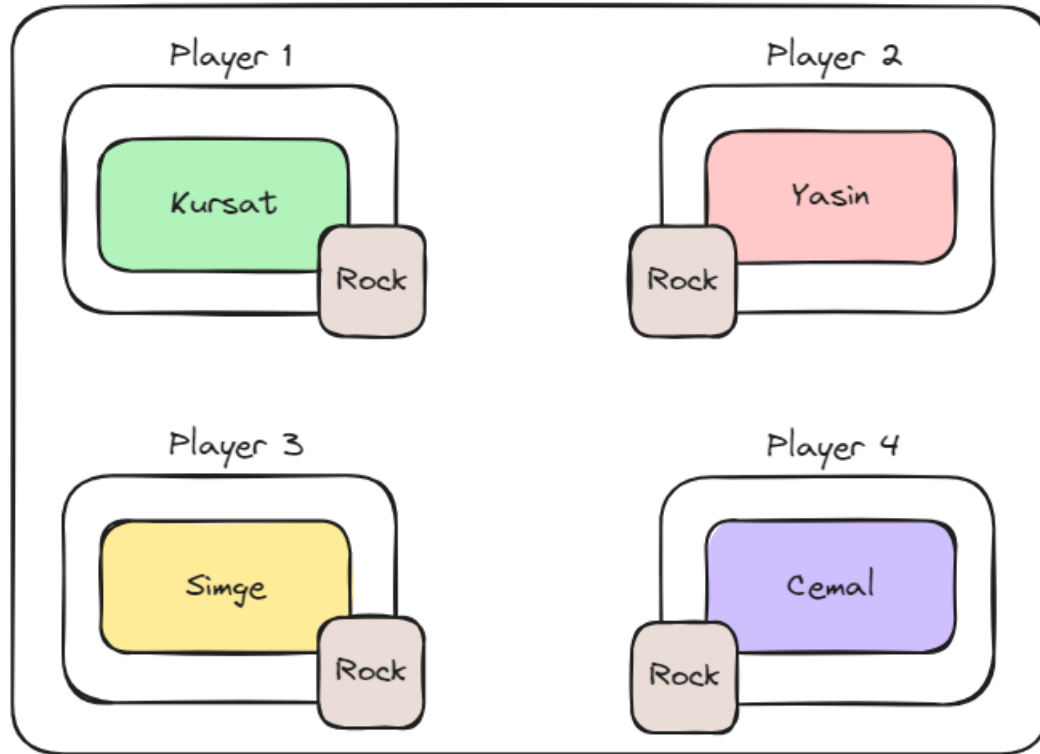

Player 4

Cemal

Players selected their choices and there is tie situation

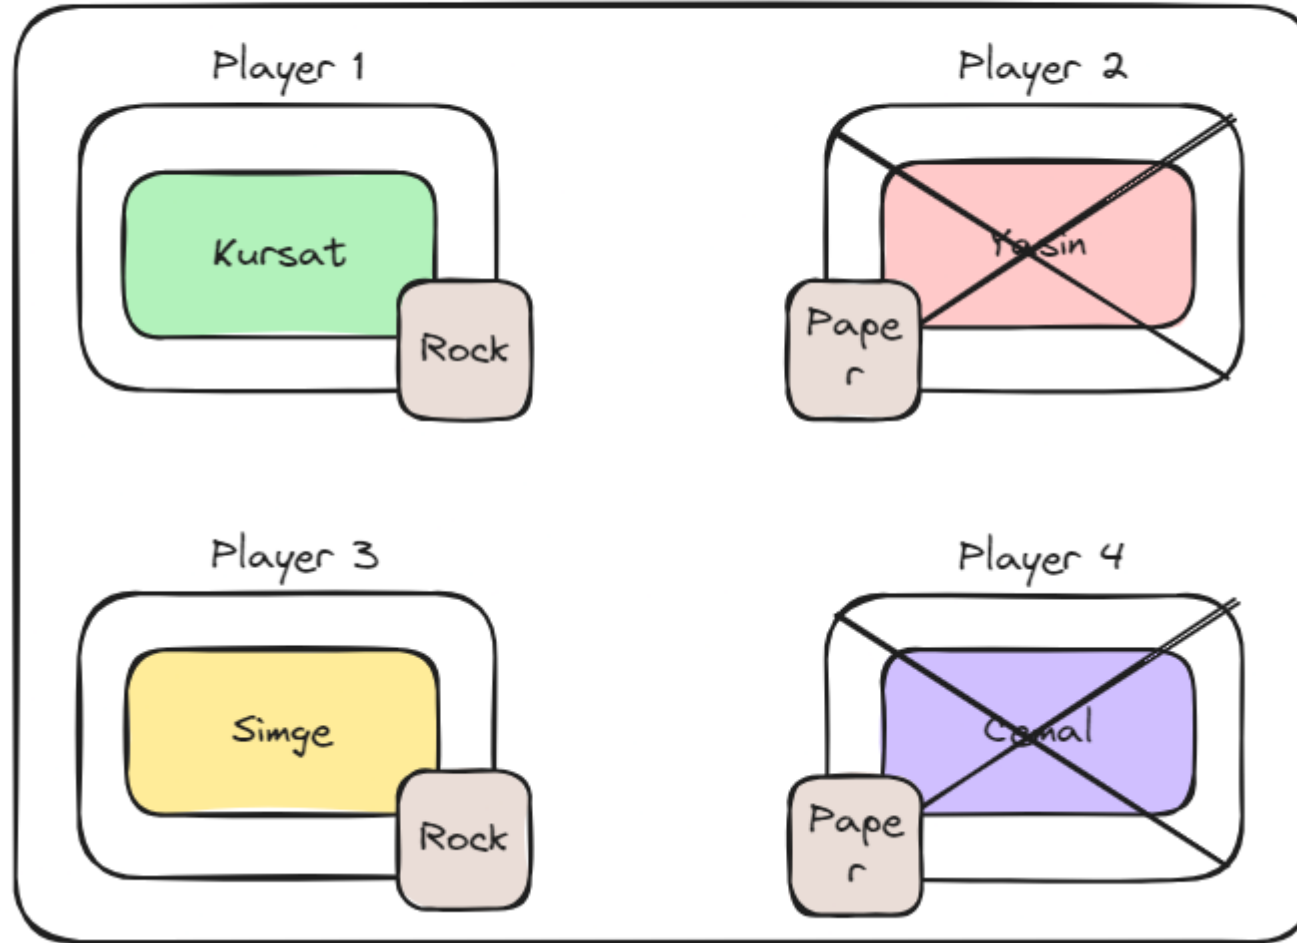

Erkay tries to join the room but he waits in queue.

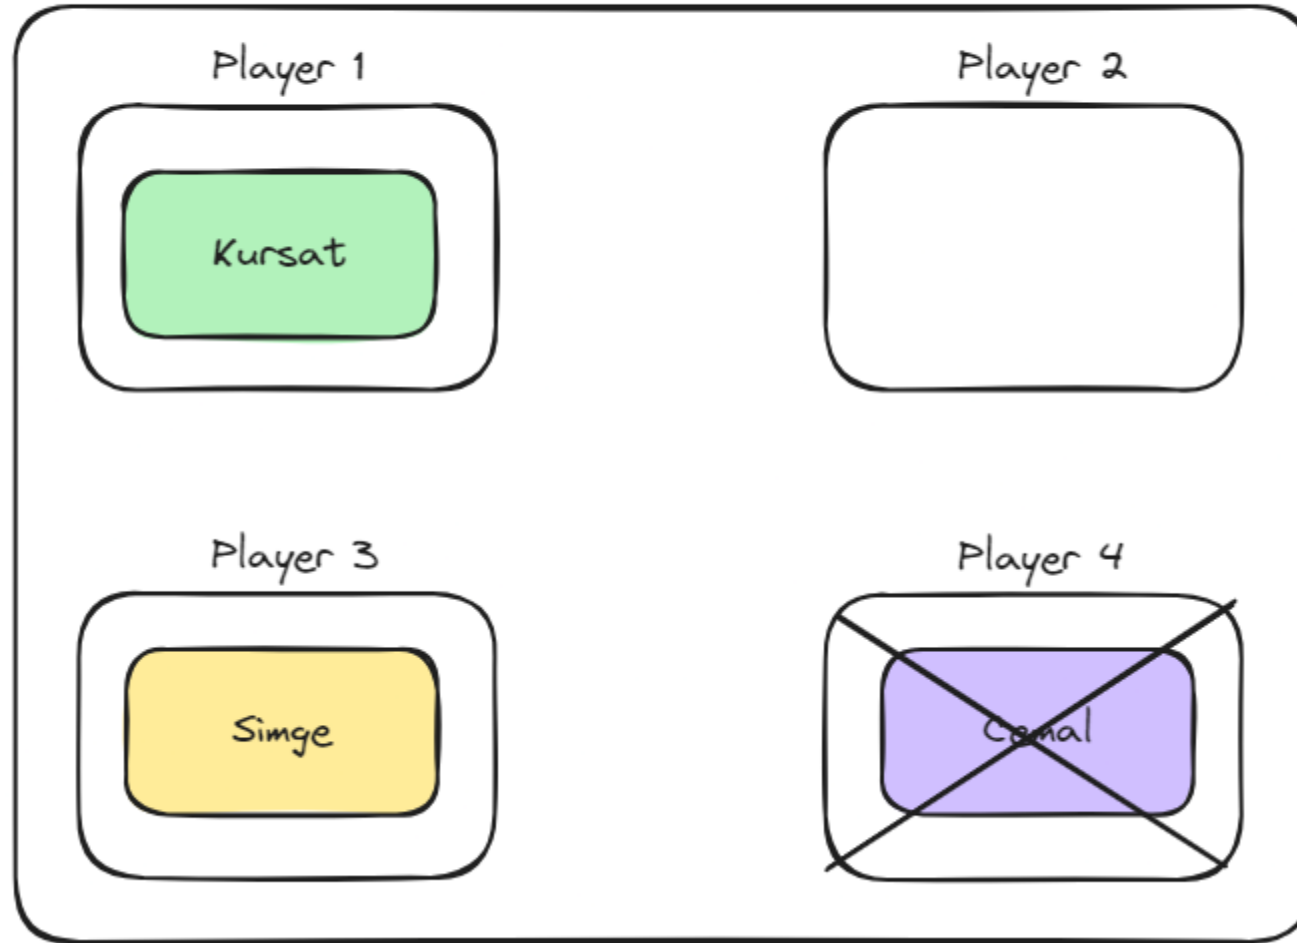

Waiting queue

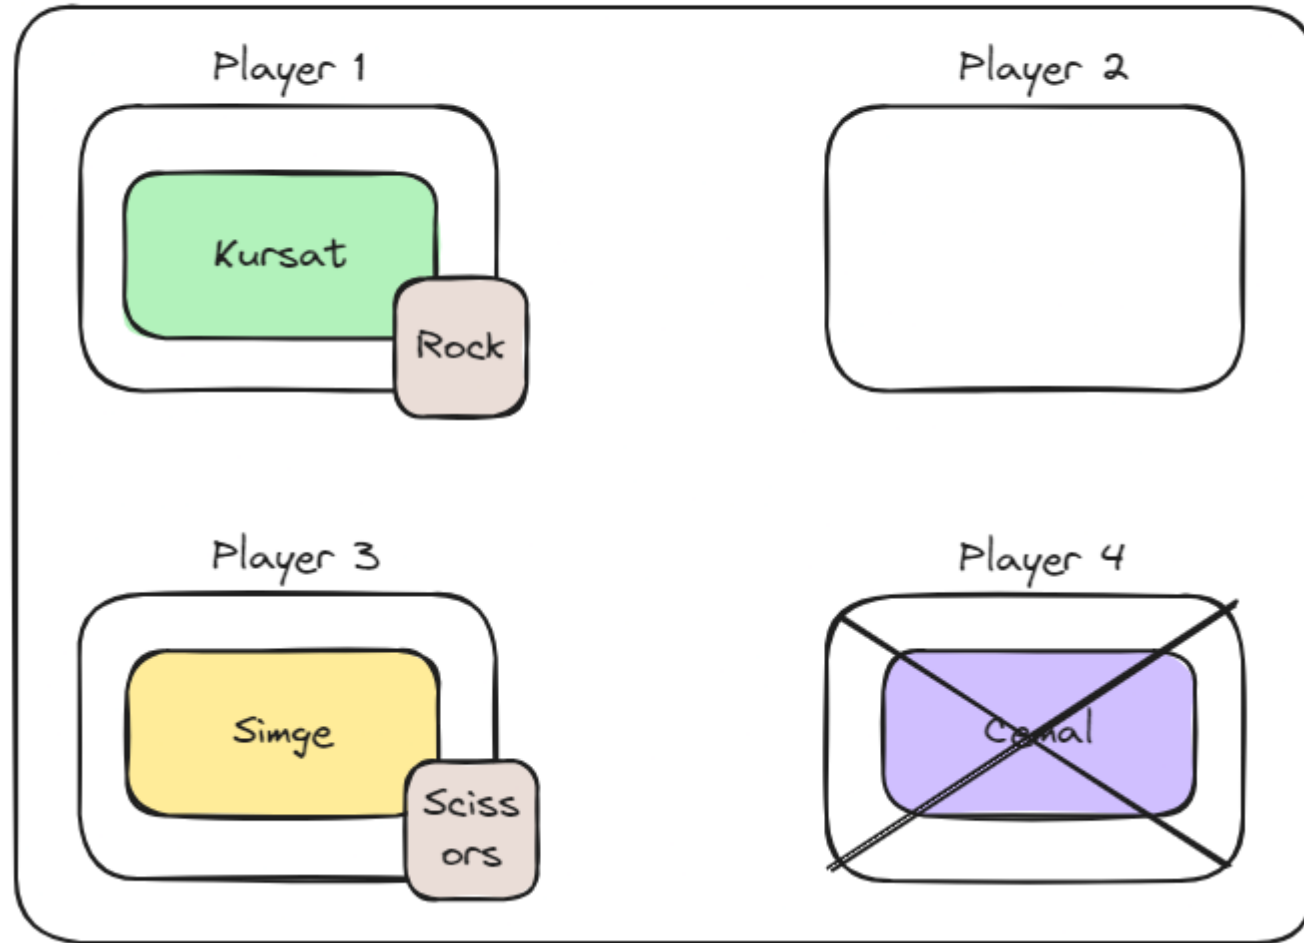

Second attempt of game and Yasin and Cemal are eliminated.
They can stay in the room for another game.

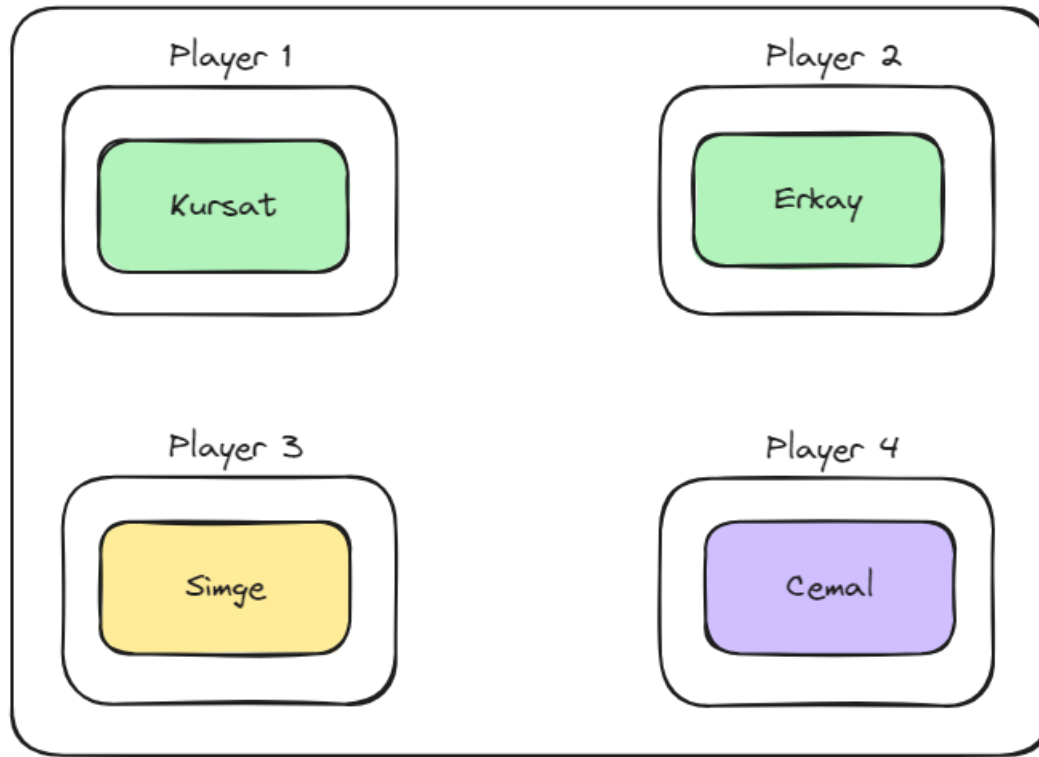

While Kursat and Simge are thinking for their choice Yasin disconnects from server.

Kursat wins the game and Erkey comes to room because game is finished.

New game will start.
